REMARKS

[REDACTED]

25X1

- 25X1 [REDACTED] 1. The Husaren Kaserne, Bautzen (O 52/A 60), was occupied by a guard detail of about 50 men on 12 May 1950.
2. With the exception of one, all Soviet families have disappeared from their apartments. Some of the vacated apartments were placed at the disposal of the German housing office.
3. Motor traffic was not observed in the Husaren Kaserne on 12 May 1950.
- 25X1 [REDACTED] 4. The Husaren Kaserne seemed to be almost deserted on 7 June 1950. Only a few soldiers wearing red-bordered black epaulets, a horse-drawn vehicle [REDACTED] were seen at the gate. *
- 25X1 *
- 25X1 [REDACTED] Comment. A previous report indicated that the Bautzen 44th. Gds Tank Regt of the 11th Gds Tank Div was entrained in early April 1950, presumably for shipment to Koenigsbrueck. [REDACTED]
- 25X1 [REDACTED] The information is corroborated by the observation of only guard details at the installation which appeared deserted.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 16 October 1978 from the
Director of Central Intelligence to the
Archivist of the United States.
